The Great Gatsby Murder Mystery

Welcome to The Gatsby Mansion in Long Island. The Year is 1922. Wall Street is booming with a steady golden roar. The parties are bigger, the shows are broader, the buildings are higher, the models are looser and the liquor is cheaper. But the cracks are starting to show in the lavish lifestyles of the nouveau riche and someone's decided not to be a sport as the green light is lit for murder. Can you solve the crime or is the best you can hope for to be a beautiful little fool?

Over a two course meal, enjoy an evening of comedy and murder as the mystery comes to life around you.

Scenes of evidence are presented between your courses and the suspects mingle amongst you to be questioned whilst you eat as you try and discover which of these larger than life characters committed the deadly deed.

You are guided along on your investigation by the all-seeing, all knowing Inspectre who hosts the night, hands out handy hints and clues and eventually reveals the solution to the mystery and rewards those who are the superest of sleuths.
