COMPUTER SCIENCE		HISTORY	
DESIGN & TECHNOLOGY		LATIN

GEOGRAPHY		RELIGIOUS STUDIES	

Every attempt will be made to satisfy each student's first four choices; however, not all subject combinations may be possible and some courses may have to be withdrawn if there is insufficient demand. The School reserves the right to make the final decision about availability of courses.

If a subject is over-subscribed, it may be necessary for some students to find an alternative. Should this be the case, the criteria for selection will be made clear to those affected. If a student proposes a particularly unusual combination of subjects, a decision will be made in the interest of providing each individual with a balanced programme of study.
