

School Uniform

Ermysted's Grammar School

General appearance

The general appearance of pupils should conform to a reasonable norm, which, if necessary, shall be at the discretion of the Headmaster. Hair must be neat and tidy. Unnatural hair colouring is not permitted.

It is important that each pupil should project an image that would bring credit to himself and the School. Pupils may be sent home to change if they are dressed inappropriately and/or are not adhering to the guidance set out below.

School Uniform

Pupils are expected to be correctly attired at all times, with shirts neatly tucked in and ties done-up. This expectation applies during the school day and includes a pupil's journey to and from school.

All items **must** be clearly labelled with the pupil's full name. Watches, if worn, should have the owner's initials scratched on the back of the case for identification.

Most items of uniform are generic and may be purchased from any outlet. School branded items, or those specific to this school, are highlighted in bold. Other school branded items can be purchased and may be worn, but only the branded items highlighted in bold should be considered as essential.

This is a relatively new facility but hopefully stock levels will increase as time goes by. All profits from this scheme go to support the work of this local charity.
